

PELHAM S2K *Pelham S2K is an alternative investment fund that invests debt and structured equity capital into small and medium sized U.S. companies*

- Pelham S2K invests debt and equity capital into middle market companies generating \$3-\$20 million of EBITDA. Investments are typically in the form of senior secured unitranche or jointly packaged first lien / second lien loans (structured as a single commitment in conjunction with a senior lending partner) or second lien loans, often with an equity co-investment
- The Pelham S2K team members have demonstrated a proven ability to successfully originate, execute and manage investments in middle market companies across a wide range of industries and throughout various business cycles
- The firm is headquartered in New York with offices in Los Angeles, Chicago and Hartford
